

The Tobacco Club

A play in one-act by KT Curran
with permission from Baker's Plays, Inc.

STAGE-IN-GENERAL WARNING :

"The Tobacco Club" is a one act play that is being presented by the Florida Players Outreach Committee. "The Tobacco Club" is a unique spoof of the hit 80's movie "The Breakfast Club," and its main focus is to explore the hazards of using tobacco in a humorous and creative way. The Florida Players is a non-profit organization, so there is no charge for having this performance brought to your school. It will have students laughing and discussing the dangers of using tobacco. "The Tobacco Club" is a very positive program for high school students, because it explores the very serious consequences of using tobacco in a light-hearted and fun way. This production is sponsored by Student Government.
